

# Brainspotting

Brainspotting Intensive Door County, WI

Baileys Harbor, WI

## Seminar Overview

The Brainspotting (BSP) Intensive was devised by David Grand, founder and developer of BSP to provide the ultimate learning experience for BSP therapists. The registration is capped at 10 participants and the schedule is five full consecutive days. How would you like to learn and heal in a relaxed, calm environment? Do you like to travel? Brainspotting Travel trips can combine the Brainspotting intensive experience along with travel.

There are ten experientials in the center of the group with each participant being the therapist once and client once. Cherie will sit next to the therapist and personally teach by guiding the therapist in the most attuned, technically advanced and innovative BSP process. Afterwards, each session is debriefed extensively in the group and this enhances everyone's learning process. In sum, the Intensive is a master class in developing skills as an advanced clinical BSP therapist. This is also a qualified path to achieving Brainspotting certification provided the Brainspotter has 50 documented Brainspotting sessions.

## Payment / Refund Policy

\$2000 is the cost of the Intensive including certification. Room and board for 6 nights which includes continental breakfast each morning is \$1440. Full refund will be given prior to March 31st 2022 after that 50% refund will be allotted.

## Who

Classes are open to all counselors, psychologists, and students who are curious and seek to expand their knowledge.
