

Brainspotting

Unlocking Liberation: The Brainspotting & Parts Work Mastermind Specialty Group

Online

Brainspotting & More Consultation Group is your opportunity to meet with other like minded colleagues to go deeper into your creativity in how you use Brainspotting for your own healing and that of your clients. We start with the group intention and work deeper inside ourselves with our physiology, parts, inner wisdom and we practice. Have an experience of being shifted from your old system into the new system you are working on creating for yourself!
