Paul Lindberg

Office Manager

I was a teacher in the Appleton area school district for 29 years. I retired in January 2020 to join Get Connected full-time as the office manager. I have also taken Imago Relationship Therapy training as we hope to develop more educational training for couples here at GCC.

My teaching background varies as I have taught everything from computer repair, multimedia, web page development and welding/manufacturing. I served in the Coast Guard after graduating high school. I attended college at UW Stout where I received my B.S. in Technology education. Later, I attended UW Oshkosh and received my M.S. in Educational Technology.
